
All mileages on the paved sections are from the lights on10th Ave in Golden. The kilometers on the Spillimacheen Forest Service Road are well sign-posted. You basically stay on the main road until **km 46**. At **km 46** turn left on the McMurdo Ck Rd. The next turn is the crucial one, after crossing the North Spillimacheen River, don't take the A or B road, stay on the main road, and climb a small hill. Follow McMurdo Ck for 10 kms, crossing it a number of times. At **Km 55.5** you will find a number of cars and helicopter fuel barrels. Find a good *parking place away from the heli-pad,* porcupine-proof your car and await your ride to paradise.
