I am pleased to announce the location of the second annual Boutique Mountaineering Camp! Please join us in the remote Sugarplum-Hatteras Range of the Purcell Mountains, seldom visited, with excellent rock in an amazing setting.

We'll have a spectacular campsite nestled nicely beside a small alpine stream. Basecamp will be situated just north of the Hatteras-Sugarplum group. *Snowman Pk. (2772m), Krinkletop Mt. (2789m), Mt. Hatteras (2963m), Squab Peak (2751m), Sugarplum Spire (2882m), Pirouette Pinnacles(2670m), Arabesque Pinnacles(2745m) are all located in close proximity to our basecamp and will be excellent climbing options. Folks wanting to venture further afield will have the opportunity to venture over to Lakes Pk. (2871m) and Syncline Mt. (3004m). The short approaches will allow us to explore some new routes as this area as has seen very little travel despite the high quality of granite available.*

I am very excited to be able to offer you the opportunity to experience the Hatteras range in the comfort and exclusivity of the now tried and true Boutique Mountain Camp format. The area offers numerous objectives in close proximity to our basecamp. The routes vary from walk-ups to cool, technical routes. Our low client - guide ratio, 2-3 clients per guide/leader, will allow us a lot of flexibility with climbing objectives. As well, if we run into a patch of poor weather there are many wonderful hiking opportunities. Depending on demand we will also offer snow, rock and ice schools during the week.

The actual basecamp will be located on a small, alpine stream with a number of lakes nearby. It will definitely be a wonderful place to hang out if you feel like taking a day off.

The BMC will be based out of Golden, BC. Participants will drive 2 hours to the helicopter staging area in Vowell Creek. From the staging area you will be flown to the basecamp. There may also be an opportunity to park your vehicle in Golden and ride in the comfort of an air conditioned bus/van for a very reasonable fee. Taking advantage of this ride will save much wear and tear on your vehicle, eliminate the annoying practice of putting up chicken wire to protect your vehicle and let you relax.

The camp will operate on a seven day, Sunday to Sunday, basis. Your camp fees will cover private tent accommodation, guiding and helicopter transportation for you and your gear. There will also be instruction in a number of disciplines, sumptuous meals and all group climbing equipment.

To register for the camp or if you need general information please don't hesitate to contact Brad Harrison at [colwest@shaw.ca](mailto:colwest@shaw.ca) or 250-374-6049.

Sincerely,

Brad Harrison
